K C Gordon Shang is Head of the Undergraduate Program in Ocean Business Management, and Professor at the Department of Transportation Science, Institute of Food Safety and Risk Management, National Taiwan Ocean University (Taiwan), where he teaches international logistics management and international trade practice.

He received his BA in International Business (1988-1992) from the Tamkang University (Taiwan), MBA in Shipping and Transportation Management (1993-1994) from the National Taiwan Ocean University (Taiwan), and Ph.D. in Logistics and Operations Management (1998-2002), from the Cardiff University, UK.

Professor Shang's recent research addresses the issues of resilient and sustainable supply chain management, green shipping and port, digital transformation, and logistics management in the context of logistics, shipping, port, and manufacturing industry sectors.
